# Something a little more special

**If you are planning a wedding or honeymoon, marking a special birthday, anniversary or simply having a family get-together, then at Celestyal we have an invitation for you.**

Come and celebrate with us. We will help make it an unforgettable experience.

We have a wonderful range of special celebration cruise packages and we are certain that one of them will be perfect for your unique occasion. They can include anything from specialty dining options, wedding picture and video packages, private group cocktail parties, fine wines, fresh flower arrangements and birthday or anniversary cakes.

You can enjoy champagne with breakfast or under the stars at night, with strawberries dipped in chocolate. Our spa services

include a wide range of relaxing treatments and therapies. We have just about anything to make your occasion with us that extra special.

Some packages also include a VIP visit to the bridge of your ship where the Captain or a Senior Officer are able to carry out marriage blessings.

Special celebratory gift vouchers are available to spend on all cruises. And of course in all our fantastic destinations, the legendary Celestyal excursions are available. So whatever the occasion, at Celestyal we will add that extra touch of class.
